ABOUT ME

Engineering student specializing in Computer Science at St. Joseph Engineering College, with a strong foundation in Python and HTML. Completed an internship at Infotact Company in the Python domain. Passionate about innovation and sustainability, with a keen interest in contributing to advancements in Nanotechnology

EDUCATION

St Joseph Engineering College
Vamanjoor, Mangaluru

2022-present
9.81 CGPA

Mohan K Shetty Govt. Pre University College
Honnavar, Uttar Kannada

2020-2022
96.5% in PCMB

M. P. E. Society's Central [C.B.S.E.] School
Honnavar, Uttar Kannada

2010-2020
92.6% in Grade 10

PROJECTS

- **Password Generator and Text editor with GUI**

  Internship Project   **INFOTACT SOLUTIONS - 2025**

  Developed a desktop application with an intuitive graphical user interface combining two key utilities: a secure password generator and a basic text editor.

  Tech Stack   Python | MySQL Database

- **Voice assistant based Attendance Monitoring System**

  Internship Project   **INFOTACT SOLUTIONS - 2025**

  Developed a Voice Assistant-based Attendance Monitoring System using speech recognition to automate real-time attendance tracking. The system identifies users through voice input and records data in a database, enhancing efficiency and minimizing manual errors.

  Tech Stack   Python | MySQL Database

SKILLS

- **Programming Languages**
  Java | Python | C
- **Communication**

- **Databases**
  MySQL
- **Leadership**

- **Web Development**
  HTML | CSS | JavaScript
- **Cloud Computing**
  AWS | Google Cloud

CERTIFICATIONS

Nanotechnology and nanosensors   Technion- Israel Institute of Technology

Hyperledger for Blockchain Applications   Infosys Springboard
